

# SINGING WAITER ENTERTAINMENT

## PERFORMANCE SCENARIOS & IDEAS

### 1 SINGING WAITER

*One entertainer*, posing as a **maître d'hôtel**, **restaurant**, or even **banquet room**. This skilled performer is dressed as the head honcho, directing traffic, welcoming, seating/napkin-ing guests as they are seated. He IS the go-to guy for the night. He can be of ethnic origin, including Italian, French, Greek, American, Southern, British or German. He appears to have all the credentials, right down to the name tag. Then, as pre-determined, this employee transforms seamlessly into entertainer through dialogue and then song.

#### SHOW LENGTH:

Show length depends on needs. Usually performed in one set from 10-30 minutes. Additional options are always possible.

#### SHOW SONG MATERIAL:

Music can range from **Jazz**, **Broadway** to **Opera** or a combination.

### 2 SINGING WAITERS

*Two Entertainers*, posing as waiters or event staff. Personnel combinations can either be 2 Male Performers or 1 Female and 1 Male, giving a few more options than above.

#### SHOW SONG MATERIAL:

Jazz, Opera, Popera, Broadway. Some themed shows, including Phantom Of The Opera.

#### ADDITIONAL NOTES:

This show can be presented acoustically (without sound amplification) with attendees less than 20 people, for those possibly hard to mic venues, or for a more intimate presentation.

#### ACOUSTIC PIANIST:

For the ultimate in intimacy, add a live pianist to the show.

### 3 SINGING PERFORMERS/WAIT STAFF

Three entertainers pose as either waiters, banquet captains, attendees, chefs, party crashers, event planners, security, etc. Infiltrating the staff as they see fit and then segue into an unforgettable performance including laughter and accessible music, suitable for all ages.

#### SHOW LENGTH:

Shows vary greatly in length and can be broken into sets to accommodate for awards, meal service or balance.

#### SONG/SHOW MATERIAL

Each show is customized to fit in possible branding, conference message, company slogan that can include custom song lyrics and specific dialogue.
